The receipts are 1,121 petition futile, and those who buy any other bbls., and sales as follows: 356 bbls at \$1 60. 256 bble. at \$1 55, and 479 bbls. at \$1 50. BABBELS - For empty spirit barrels there is no

demand worthy of mention, and the market is fairly supplied with all qualities. We quote only occasional small sales at the following figures: Second hand country, \$2 15\\(\pi\)2 20 as they run, and \$2 50\(\pi\)2 26 for new; New York \$2 75\(\pi\)\$3 for new and second hand; city made, \$2 75\(\pi\)\$3 each for new, as in hand; city made, \$2 75\(\pi\)\$43 each for new, as in Europe, only those were finally BEESWAX-Small lots coming in, which find

sale at 30@32 cents # lb. BEEF CATTLE-Are brought to market slowly, though about adequate for present wants. A moderate demand exists, and we quote on the ticularize: WHY IS IT THAT SO MANY CHILDREN moderate demand exists, and we quote on the die under the age of five years? That a large proportion of children die under that age, quality. CORN MEAL .- Market firm at an advance of 5

cente, and supply only moderate Sales from the mills at \$1 85@\$1 40 B bushel. Corron.-In the early part of the week just closed the market exhibited considerable firmstantly with their children, cannot be too observ- | ness, and there was a fair enquiry for speculaing of the first symptoms of worms; for so surely tive purposes- the price showing a slight advance. For a few days past, however, the demand has been less active under the advices received from abroad, and the market has ruled removed from the most delicate infants, by the quiet but steady at a basis of 21 cents for low midding. Receipts continue light, and there is only a small stock offering, which has also had the effect to restrict transactions somewhat. We give sales as follows: 1 at 16, 8 at 17, 2 at 17, 8 at 18, 7 at 181, 8 at 19, 5 at 191. 28 at 20, 1 at 204 42 at 21, 2 at 21 , and 9 at 214 cents with. IRON BANDS AND TIES for Cotton are in moderate stock, and sell at the following quotations:-

And may be administered with the UTMOST Arrow, 61@7 cents; Buckle, 61@7 cents # 1b. EGGS-Arc in good suppl,, and demand moderate. Sell at 17 to 20 cents P dozen, as in quantity. FERTILIZZES. -Are in moderate demand, and market presty well supplied with all de scriptions. Sales from store at the following

figures : Pernvian Guano, 185@190 ; Pacific do. hansted, and R. H. Fahnestock's Vermifuge cor - \$00@\$65; Wando Guano, \$70; Patapaco do. \$65; Phœnix do. \$55; Navasea Guano, \$65; Wilcox, Gibbs & Co's Manipulated do. \$70; E. F. Coe's Superphosphate of Lime, \$60; Baugh's Raw Bone Phosphate, \$40; Whitelock's Corealizer \$70; Chesapeake I hosphate, *60; Lister Bros. Superphosphate of Lime \$65; Whann's Raw Bone Superphosphate, \$70; Lodi Manu acturing Co. Pure Bone \$48; do do double refined Pondrette \$30; do do Nit. phosphate Lime \$6); Berger & Bulz's pound Acid Phosphate of Lime \$18; Land Piaster \$18-all # ton of 2,000 1bs.

FLOUR -The market continues to be fully supplied with all grades of Northern and Western from store during the week. but little demand. See table for store prices. | tors, &c.

citizens and many local politicians, and a great Wilmington Wholesale Prices Current. ly firm since our last, and the price has further advanced. Receipts for two or three weeks past have been meagre, and in consequence the sup-ply has become considerably reduced—there being only a moderate stock in dealers' hands. A good demand exists, and cargoes would find ready sale. Only one cargo of 2,037 bushels received, which sold to-day at \$1 25 P bushel. From store we notice sales are being made at \$1 30@1 35, as in quantity. Oars—The supply is somewhat reduced, though fully adequate for the demand. We quote as retailing from store at 75@80 cents bushel .--- Pras In the absence of receipt the market has become almost entirely bare of all descriptions. There is an active demand, and low would find ready sale by the quantity at \$1 co@1 70 p bushel. — - RICE - Clean is in moderate stock, and the demand is merely in the retail way. We quote Carolina at 62074 cents ?

HAY -Northern is in moderate supply at present, and demand not so good. About 250 sales received, but no sales reported LIME. -Stock fu ly fair, and only a local denand. Sells from store at \$1 40 @ cask. I UMBER-Is in good stock, and only a light temand for shipment. We quote as follows: Pine Steam Samed Lumber-Cargo rates-per

1,000 feet. Ordinary assortment Cuba cargoes, \$18 00 @ 19 00 Hayti cargoos, 18 00 @ 00 00 Full cargoes wide Boards...... 20 00 @ 22 00 flooring boards, rough 22 00 @ 28 00 Ship Stuff as grapecifications. . . . 23 00 @ 24 00 Deale, 3 by 9. Prime River flooring Moraeses. The market is fully supplied with nearly all descriptions, and the demand is prin-cipally in the small way. Quotations in table are

or store rates, as in quality. PEA NUTS. - Receipts are very light, and there is little or no stock on market. For prime and extra quality there is a fair enquiry for ship-ment, and \$1 75@\$1 80 is readily obtained. Other grades are dull of sale, and we quote at \$1 20@\$1 60 for inferior to fair. POTATOES .- For Irish there is only a light de-

mand, and we quote as selling from store at \$2 50@\$3 } bbl. in the small way. Sweet sell from carte at \$1 40@\$1 50 % bushel. POULTRY-Is being brought in slowly, and de mand fair. Prices rule high, and we quote live chickens at 30@35 cents, and grown fowls at 0@60 cents each.

Provisions-The Bacon market is somewhat firmer for the week, and prices have an upward tendency. The stock of North Carolina has become rather light, in the absence of receipts worthy of note, and there is a better enquiry for retailing purposes. We quote small transactions at 16@16½ cents for shoulders, 17@18 cents for sides, 17@18 cents for hog round, and 18@19 cents of the for hams, according to quality. West-ern is a shade higher, and market only moderately supplied. There is a fair demand for small lots, and we quote as selling from store at 141@ 15 cents for shoulders, 17. @18 cents for sides, and 18@20 cents @ 1b for hams ___LARD_North Carolina is in some enquiry, and none here; -would bring 171@19 cents. Northern is in good supply, and only a small business doing from store at 15@20 cents & fb. PORK-The market is firmer for Northern, and shows a further advance. Sales from store at quotations

SALT-Supply fully fair, and demand light. Small transactions from store at \$1 50 for American, and \$1 60 B eack for Liverpool ground. SHINGLES-Only small boat loads coming in \$2 50@\$3 for Common, and \$4@\$5 \$9 M. for Con

TIMBER-For this article there is little or no demand from millers at present, and the market rules dull. Receipts for two weeks have been meagre, but there is considerable of former arrivals still remaining unsold. We refer to table for classified quotations.

Wood—Is very dull of sale, and arrivals mod-

erate. By the boat load we quote sales at \$1 75 @\$2 for pine, \$2 25 for ash, and \$2 75@\$3 25 % cord for oak and lightwood. FREIGHTS-To all coastwise ports are about the same as last reported. Barrel freights coninue scarce, and the few vessels arriving find considerable difficulty in obtaining cargoes. See

WW AL STREET AL NE

Watches.

THE EXTENSIVE USE OF THESE WATCHes for the last fifteen years by Railway Conluctors, Engineers, and Expressmen, the most exacting of watch wearers, has thoroughly denonstrated the strength, steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these time-

More than 450,000 of these watches are now speaking for themselves in the pockets of the people-a proof and a guarantee of their superiority over all others. The superior organization and great extent of the Company's Works at Waltham, enable them

watch, merely pay from 25 to 50 .per cent. more for their watches than is necessary. We are now selling Waltham Watches at less prices in greenbacks, than the gold prices before the war. There is no other manufacture of any kind in the United States of which this can be

country or in Europe, only those were finally

adopted which severe testing by the most skill ful artisans in our works, and long use on the BEEF CATTLE—Are brought to market slowly, and the stock in butchers' hands is very small, to correct and enduring time-keeping. Among the many improvements we would par-The invention and use of a centre-pinion of peculiar construction, to prevent damage to the train by the breakage of main springs, is original

with the American Waten Company, who, having had the refusal of all other contrivances, adopted Fogg's Patent pinion as being the best and faultless. Hardened and tempered hair springs, now universally admitted by watchmakers to be the

sest, are used in all grades of Waltham Watches. All Waltham Watches have dust-proof cape, protecting the movement from dust and lessen ing the necessity of the frequent cleaning necessary in other watches. Our new patent stem winder, or keyless watch, s strendy a decided success and a great im-

provement on any stem-winding watch in the American market, and by far the cheapost watch fits quality now offered to the public. To hose Living in portions of the United States here watchmakers do not abound, watches with he above mentioned improvements which tend o maure accuracy, cleanliness, durability and onvenience, must prove invaluable. Every watch guaranteed by the Company.

To prevent imposition, buyers should see that very watch should bear either of the following American Watch Co., - - - Waltham. Appleton, Tracy & Co., - - -P. S. Bartlett, - - - - -William Ellery, - - -
